(c) Each lot owner shall concrete or asphalt the driveway within three months after completion of a single family dwelling; provided, however, that portion of the driveway from the pavement of any abutting street through the sidewalk shall be concrete.

(d) Upon construction of a residence, the owner shall cause to be planted a three inch tree in the front yard of his Lot. No tree shall be removed from any Lot without the prior written approval of the Developer or any entity, person or association to whom it may assign such right.

(e) Upon an owner's failure to comply with the provisions of this Paragraph 10, Developer or any entity, person or association to whom it may assign the right, may take such action as necessary to cause compliance therewith, and the owner shall immediately, upon demand, reimburse Developer or other performing party for all expenses incurred in so doing, together with interest thereon, at five percent (5%) in excess of the Federal Discount Rate at the time such expenses are incurred, and the Developer or such other entity, person or association to whom it may assign such right shall file a lien on that Lot and the improvements thereon to secure the repayment of such amounts. Such lien may be enforced by foreclosure against that Lot and the improvements thereon, but such lien shall be subordinate to any first mortgage (but not to any other mortgage) thereon.

#### 11. Mail and Paper Boxes.

All mail boxes and paper boxes will be supplied by Developer at cost in order to provide uniformity.

#### 12. Clothes Lines; Fences; Walls; and Certain Pools.

#### 13. Duty to Maintain Lot.

(a) From and after the date of purchase of a Lot until construction of a single family residence is started, Developer shall have the exclusive right to perform all maintenance on the Lot, including, but not limited to, mowing. Each owner shall be assessed an annual fee payable in January of each year at the rate of \$10.00 per month for the first three years following the date the lot owner acquires title to the Lot; thereafter, each lot owner shall be assessed an annual fee equal to Developer's actual cost of such maintenance, including overhead and supervision costs, until construction of a single family residence is started on such Lot.

(b) From and after the date of construction of a single family residence on a Lot is started, it shall be the duty of each lot owner to keep the grass on the Lot properly cut, to keep the Lot free from weeds and trash, and to keep it otherwise neat and attractive in appearance. Should any owner fail to do so, then Developer, or any entity, person or association to whom it may assign the right, may take such action as it seems appropriate, including mowing, in order to make the Lot neat and attractive. The owner shall immediately upon demand, reimburse Developer or other performing party for all

expenses incurred in so doing, together with interest thereon at five percent (5%) in excess of the Federal Discount Rate at the time such expenses are incurred, and the Developer or other such entity, person or association to whom it may assign such right, shall have a lien on that Lot and the improvements thereon to secure the repayment of such amounts. Such lien may be enforced by foreclosure against that Lot and the improvements thereon, but such lien shall be subordinate to any first mortgage (but not to any other mortgage) thereon.

#### 14. Business: Home Occupations.

No trade of business of any kind (and no practice of medicine, dentistry, chiropractic and like endeavors) shall be conducted on any Lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood. Notwithstanding the provisions hereof or of Paragraph 1, a new house may be used by a Builder thereof as a model home for display or for the builder's own office, provided said use terminated within eighteen months from completion of the house or upon such additional period of time as may be expressly agreed to in writing by Developer or any entity, person or association to whom it may assign such right.

#### 15. Signs.

No sign for advertising or for any other purposes shall be displayed on any Lot or a building or a structure on any Lot, except one sign for advertising the sale or rent thereof, which shall not be greater in area than nine square feet; provided, however, Developer shall have the right (1) to erect larger signs when advertising the Subdivision; (2) to place signs on Lots designating the lot number of the Lots; and (3) following the sale of a Lot, to place signs on such Lot indicating the name of the purchaser of that Lot. This restriction shall not prohibit placement of occupant name signs and lot numbers as allowed by applicable zoning regulations.

#### 16. Drainage.

Drainage of each Lot shall conform to the general drainage plans for Developer for the Subdivision. No storm drains, roof downspouts or ground water shall be introduced into the sanitary sewage system. Connections on each Lot shall be made with watertight joints in accordance with all applicable plumbing code requirements.

#### 17. Disposal of Trash.

No Lot shall be used or maintained as a dumping ground for rubbish, trash or garbage. Trash or garbage or other waste shall not be kept except in sanitary containers.

#### 18. Restrictions Run With Land.

Unless cancelled, altered or amended under the provisions of this paragraph, these covenants and restrictions are to run with land and shall be binding on all parties claiming an interest in any of the land. Those restrictions, except those in Paragraph 1 hereof, which cannot be changed without the consent of his heirs, successors and assigns, may be

cancelled, altered or amended by (1) the Developer, acting alone, or (2) by the affirmative action of the owners of 75% of all Lots in all sections of Twelve Oaks at any time after control of the "Association" (as defined in Paragraph 21 below) has been transferred from the Developer to the lot owners. Failure of any owner to demand or insist upon observance of any of these restrictions, or to proceed for restraint of violations, shall not be deemed a waiver of the violation, or the right to seek enforcement of these restrictions.

19. Enforcement.

Enforcement of these restrictions shall be by proceeding of law or in equity, brought by any owner or real property of Twelve Oaks, by the Association formed under Paragraph 21 below, or by Developer itself, against any party violating or attempting to violate any covenant or restriction, either to restrain violation, to direct restoration and/or to recover damages.

20. Invalidation.

Invalidation of any one of these covenants by judgement or court order shall in no way affect any of the other provisions hereof which shall remain in full force and effect.

21. Residents: Maintenance Association: Assessments.

(a) The Articles of Incorporation of Twelve Oaks RESIDENTS ASSOCIATION, INC. ("Association"), which may be amended from time to time, date this third day of November, 1988, are recorded in Book 6, Page 491, in the office of the Clerk of Bullitt County, Kentucky. Every owner of a Lot in this section of Twelve Oaks (and such other sections which Developer may be future deed, restrictions so provide) shall be a member of the Association, and, by acceptance of a deed for any Lot, agrees to accept membership in, and does thereby become a member of, the Association. Such owner and member shall abide by the Association's bylaws, rules and regulations, shall pay the assessments provided for when due, and shall comply with decisions of the Association's Board of Directors.

(b) The objects and purposes of the Association shall be as set forth in it's Articles of Incorporation and shall be to promote the social welfare and serve the common good and general welfare of it's members, and shall include, unless such obligations are otherwise assumed by any municipal or governmental agency having jurisdiction thereof, the maintenance and repair of the streets, common areas, crosswalks, stormdrains, basins, lakes and entrances as shown on the plats of the Subdivision, and acceptance of common area for purposes of operation, maintenance and repair.

(c) Any assessment levied by the Association shall be used only for purposes generally benefiting the Association, and shall constitute a lien upon the Lot and shall be enforceable against the real estate by foreclosure or otherwise.

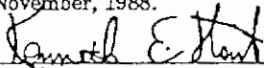

(d) The initial assessment in favor of the Association hereunder shall be no higher than \$8.00 per month per Lot beginning \_\_\_\_\_. After \_\_\_\_\_, the Board of Directors may, from time to time, increase or decrease the assessment. The Board of Directors of the Association shall determine the amount of and fix the due date of each assessment.

(e) Notwithstanding anything to the contrary contained in this Declaration, neither the Grantors nor the Developer (nor any builder who has purchased his or it's Lot from the Developer, so long as such builder owns such Lot and no one lives in the residence constructed on such Lot) shall be liable for or pay any assessments to the Association with respect to any Lots as to which they, or it, hold title.

22. Amendments to Articles and Bylaws.

Nothing in this Declaration of Restrictions shall limit the right of the Association to amend, from time to time, it's Articles of Incorporation and Bylaws.

WITNESS the signatures of the Grantors and the Developer on this 3rd day of November, 1988.
