1. Primary Use Restrictions.

1.1. No lot shall be used except for private single-family residential purposes. No structure shall be erected, placed or altered or permitted to remain on any lot except one single family dwelling designed for the occupancy of one family and not to exceed two and one-half stories in height and containing a private 2-car attached garage for the sole use of the owner and occupants of the lot. However, notwithstanding the foregoing, the owner of the lot on which a single family dwelling has been or is being constructed may also construct on that same lot a pool house or storage structure (not to exceed 15% of house floor area) provided the Developer or such entity, person or Association to whom it may assign such right has expressly, in its sole discretion, approved in writing the design, use, location and materials of such structure. No log homes, underground or berm homes will be allowed.

1.2. No structure may be moved to or relocated on any lot within the subdivision know as Woodlake Subdivision. No pre-fab or modular homes can be placed on lots and all homes are to be built by conventional construction methods.

2. Subdivision of Lots: Easements, Extensions and Approval of Construction and Landscape Plans.

2.1. Lots may not be further subdivided. However, Developer may split a lot and sell that lot only to the adjoining lot owners and shall become a part thereof and shall be treated as one single lot as per these restrictions.

2.2. No easements, extensions or utility services including water, sewer, electric or roadway shall be extended unless approved in writing by the Developer.

2.3. No structure may be erected, placed or altered on any lot until the construction plans and building specifications and a plan showing the (a) location or improvements on the lot; (b) the grade elevation (including rear, front and side elevations); (c) the type of exterior material (including delivery of a sample thereof if required); and (d) the location and size of the driveway (which shall be asphalt or concrete), shall have been approved in writing by the Developer.

3. Building Materials; Roof; Builder.

3.1. The exterior building material of all structures (including storage buildings or pool house) shall extend to ground level and shall be either brick, stone, brick veneer or stone veneer or a combination of same. 3.2. The roof pitch of any residential structure shall not be less than 6 inches vertical for every 12 inches horizontal. A 5-inch vertical for every 12-inch horizontal pitch may be granted on a rear roof section (2nd story only) of the house (i.e.: cape cod style) with Developer's written approval. Front and rear porch pitches may be reduced subject to style of house with Developer's written approval. (i.e.: wrap around style houses)

4.1. Each house shall have at least a two (2) car attached garage unless otherwise approved in writing by Developer or any person or Association to whom it may assign such right. Additional garages and storage buildings, as structures, are subject to prior plan approval under paragraph 2 and 3 hereof, and must be of the same design and exterior as residence. All attached garages must connect to house or roof of existing structure, and may be located below ground or in the basement of the house.

4.2. Garages shall be used only for the parking of vehicles and other homeowner customary uses. No garage and or storage buildings shall be used for any commercial use, auto mechanic shop, retail business, professional use or other use that would be considered a business or service.

7. Commencing Construction.

7.1. The builder shall keep the street clean during its construction. During the course of construction, mud and dirt shall be cleaned from the tires of construction vehicles before they travel on the streets of this subdivision. The builder shall remove all mud and dirt from the street. Under no circumstances shall a motor vehicle cross a lot to reach construction on another lot. The builder shall make all repairs necessary, should this occur. Materials and/or overruns (concrete, etc.) shall not be placed or dumped on another lot. Removal of said materials and/or overruns will be at the builder's expense.

7.2. Before commencing construction of a dwelling on any lot, the builder shall inspect the roadway and if any defect is found, immediately notify Developer in writing of such defect. The builder shall be responsible for damages done to the roadways by tractors, trucks, equipment, etc., in his employ and shall make repairs within thirty (30) days after completion of the dwelling. The builder shall also insure that cuts made by the utility companies in the roadway in front of the lot are properly repaired by said companies or by builder. 8.4. No personal, family or guest vehicle shall be continuously or habitually parked on any street or public right-of-way.

9. Nuisance and Animals.

9.1 No noxious or offensive trade or activity shall be conducted on any lot, nor shall anything be done which may be or become an annoyance or nuisance to the neighborhood.

9.2. No animals, including reptiles, livestock, or poultry of any kind shall be raised, bred or kept on any lot. Dogs, cats or other household pets (meaning domestic pets traditionally recognized as household pets in this geographic area) may be kept, bred or maintained but not for any commercial purpose nor solely for breeding purposes. All household pets, including dogs and cats, shall at all times be confined to the lot occupied by the owner of such pet. No kennels are to be built for confining such animals. Barking dogs or pets may be a nuisance. Any pet causing or creating a nuisance or unreasonable disturbance shall be permanently removed by

the owner from the Development within seven (7) days, after receiving written notice from the Board of Directors. Pets permitted as above shall be leashed or restrained during walking or exercise within the common area or right of way. An owner shall be responsible for cleaning up after his pet.

10. Landscaping; Sidewalks; Driveways.

10.1 After the construction of a residence, the lot owner shall grade and seed or sod the lot. No hedge shall be placed or planted on any lot unless its design and placement or planting are approved in writing by Developer or by an entity, person or Association to whom it may assign the right. Each lot owner or builder shall construct, or cause to be constructed and maintain a swale between each side and rear property line.

10.2 Each lot owner shall cause a concrete sidewalk to be constructed on each lot on or before completion of their house. At such time as 95% of the lots in this Section, whether or not the lot owner has begun construction on the particular lot he has purchased, a sidewalk will be installed by all property owners, including the remaining lots to be sold. Said sidewalk shall be constructed on the street side(s) of their lot before occupying the house. The sidewalk shall be 48 in. wide, a minimum of 4 in. thick and is to have either fiber mesh or wire mesh installed within the concrete. Saw cuts or expansion cuts are to be no more than 48" apart. There shall be a light broom finish and the sidewalk shall be constructed so that uniform emplacement will be maintained throughout the development. A full set of specifications can be obtained from the Developer.

10.3 Each lot owner shall concrete or asphalt the driveway after completion of the single family dwelling; provided, however, that portion of the driveway from the pavement of any abutting street through the sidewalk shall be concrete.

11. Mail and Paper Boxes.

11.1 All mailboxes shall be supplied by the Developer at a reasonable cost to the homeowner or builder in order to provide uniformity. It will be the owner's responsibility to obtain a mailbox from the Developer. It shall also be the owner's responsibility to install and maintain this mailbox.

12. Clothes Lines; Walls; Window Treatments and Fences.

12.1 No outside clothesline shall be erected or placed on any lot.

12.2 All windows shall receive window treatments so as not to be unsightly from any street. The following, but not limited to, newspaper, sheets, paper, etc. shall not be used temporarily or permanently as window treatments.

12.3. Fence Restrictions.

12.3.1. All fences and walls of any kind, for any purpose, including pool fences or walls, shall be submitted to the Developer for approval. No vertical wooden privacy fences are allowed. No street side fences or walls shall be installed closer than the building line. No fences or walls shall be installed closer to the front than the rear building line of the house and the rear building line of the adjoining houses. No fence or wall is allowed to be erected that is more than 6 feet in height. Fence or wall must not create drainage problems. If drainage problem occurs from installation of fence or wall, it is the sole responsibility of the owner to correct. Each lot owner shall maintain a swale between each side and rear property line, if required.

13. Duty to Maintain Lot.

BOOK 0588 PAGE 720

13.1. From date of contract, including during construction of single family residence, it shall be the duty of each lot owner to keep the grass on the lot property cut, to keep the lot free from weeds and trash, and to keep it otherwise neat and attractive in appearance. Should any owner fail to do so, the Developer, or any entity, person or Association to whom it may assign the right, may take such action as it seems appropriate, including mowing, in order to keep the lot neat and attractive. The owner shall immediately upon demand, reimburse Developer or other performing party for all expenses incurred in so doing, together with interest thereon at twelve percent (12%) if payment is not received within 30 days of the time such expenses are incurred, and the Developer or other such entity, person or Association to whom it may assign such right, shall have lien rights on that lot and the improvements thereon to secure the repayment of such amounts. Such lien may be enforced by legal action against the lot owner, and the improvements thereon, but such lien shall be subordinate to any first mortgage, (but not to any other mortgage) thereon.

14. Business; Home Occupations.

14.1 No trade or business of any kind (including the practice of medicine, dentistry, chiropractic, hair salons, barbershop, daycare, or commercial endeavors) shall be conducted on any lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood. Notwithstanding the provisions hereof or of Paragraph 1, a new house may be used by a builder thereof as a model home for display or for the builder's own office, provided said use is terminated within eighteen months from completion of the house or upon such additional period of time as may be expressly agreed to in writing by Developer or any entity, person or Association to whom it may assign such right.

15. Signs.

15.1. No sign for advertising or for any other purposes shall be displayed on any lot or a building or a structure of any lot, except one sign for advertising the sale or rent thereof, which shall not be greater in area than nine square feet; provided however, Developer shall have the right (1) to erect larger signs when advertising the Subdivision; (2) to place signs on lots designating the lot number of the lots; and (3) following the sale of a lot, to place signs on such lot indicating the name of the purchaser of that lot. This restriction shall not prohibit placement of occupant name signs and lot numbers as allowed by applicable zoning regulations. A builder may erect a construction sign (only during construction) of no more than 32 square feet, which must be removed when owner moves in.

16. Drainage.

16.1. Drainage of each lot shall conform to the general drainage plans of Developer, as approved by the city, for the Subdivision. No storm drains, roof down spouts or ground water shall be introduced into the sanitary sewage system. All drainage, drainage problems or drainage issues, are the responsibility of the lot owner. Each lot owner shall maintain and/or construct swales between all adjoining lots if needed or required by Developer.

17. Disposal of Trash.

17.1. No lot shall be used or maintained as a dumping ground for rubbish, trash or garbage. Trash or garbage or other waste shall not be kept, except in sanitary containers. The lot shall be kept free and clear of rubbish, debris and other unsightly materials.

17.2. Trash and garbage containers shall not be permitted to remain outside on any curb, except 24 hours prior or 24 hours after day of trash collection.

18. Restrictions Run With Land.

18.1. INCORPORATION INTO DEED. The above covenants, reservations and restrictions shall be incorporated verbatim or by reference in every deed hereafter issued conveying any part of the premises subject to these restrictions.

18.2. Unless cancelled, altered or amended under the provisions of this paragraph, these covenants and restrictions are to run with the land and shall be binding on all parties claiming an interest in any of the land. Except as herein provided, these restrictions may be cancelled, altered or amended by (1) the Developer, acting alone; or (2) by the affirmative action of the owners of 85% of all lots in all sections of Woodlake at any time after control of the "Association" (as defined in Paragraph 21 below) has been transferred from the Developer to the Association. Failure of any owner to demand or insist upon enforcement of any of these restrictions, or to proceed for restraint of violations, shall not be deemed a waiver of the violation, or the right to seek enforcement of these restrictions.

19. Enforcement.

19.1. Upon an owner's failure to comply with the provision of any Paragraph(s), Developer or an entity, person or Association to whom it may assign the right, may take such action as necessary to cause compliance therewith, and the owner shall immediately, upon demand, reimburse Developer or other performing party for all expenses incurred in so doing, together with interest thereon at twelve percent (12%) at the time such expenses are incurred, and the Developer or such other entity, person or Association to whom it may assign such right shall file a lien on that Lot and the improvements thereon to secure the repayment of such amounts. Such lien may be enforced by foreclosure against that lot and the improvements thereon, but such lien shall be subordinate to any first mortgage (but not to any other mortgage) thereon.

19.2. Enforcement of these restrictions shall be by proceeding at law or in equity, brought by any owner of real property in Woodlake, by the Association formed under Paragraph 21 below, or by Developer itself, against any party violating or attempting to violate any covenant or restriction, either to restrain violation, to direct restoration and/or to recover damages.

19.3. Each Lot owner shall comply strictly with the covenants, conditions and restrictions set forth in this Declaration, with the By-laws of the Residents Association as more particularly described herein below and with the Rules and Regulations in relation to the use and operation of the community, recreation and common areas. Failure to comply with any of the same shall be grounds for an action to recover sums due for damages and/or for injunctive relief. Such action may be maintained by a Lot owner, the Developer and/or the Association on its own behalf or on behalf of the Lot owners aggrieved, or by any person or entity who is aggrieved by such noncompliance. In any case of flagrant or repeated violation, Lot owner, may be required by the Association to

give sufficient surety or sureties for his future compliance with said covenants, conditions, restriction, By-laws, Rules and Regulations. The Lot owner, Developer, and/or Association may recover all of its costs of enforcement, including court costs and reasonable attorney's fees; and all of such costs shall be a continuing lien upon the Property involved.

19.4. In addition to any other remedy that it may have, the Association may levy a reasonable fine against a Lot owner who has violated any covenant, condition or restriction set out in this Declaration, the By-laws or the Rules and Regulations, which fines shall be included in the Rules and Regulations. Before the fine can be levied, the Lot owner must be sent written notice of the nature of the violation and be given thirty (30) days after the date of mailing to cure the violation. If the violation is not cured, the Board of Directors may levy a fine against the Lot owner and against the Property. The fine may be filed as a lien and is otherwise enforceable as an assessment lien, through foreclosure or other civil action, and shall include the right to collect court costs, including reasonable attorney's fee. Each day of the violation may be considered a separate violation.

20. Invalidation.

20.1. Each of the above restrictions and covenants shall be independent of every other. Invalidation of any of the above provisions by judicial proceedings or any other means shall in no way effect the validity of the others. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions hereof which shall remain in full force and effect.

21. ASSOCIATION MEMBERSHIP, PURPOSE AND VOTING RIGHTS

21.1 Organization of Association. The Developer shall establish a Homeowners Association to be organized as a mutual benefit and nonprofit corporation under the laws of the State of Kentucky, to be operated in accordance with the Articles of Incorporation and By-Laws, which have been filed with the Secretary of State by Developer.

21.2 Purpose. The purpose of the Association shall be as set forth in its Articles of Incorporation and shall be to promote the social welfare and serve the common good and general welfare of its Members. In carrying out its purposes, the Association shall have all powers allowed by chapter 273 of the Kentucky Revised Status.

In furtherance of the general purposes, the particular purposes of the Association are:

1. To monitor and enforce the restrictions of the subdivision which are recorded in the Bullitt County Court Clerk's office.
2. For maintaining, repairing and rebuilding the streets and any drainage easements and the parking area, common areas, crosswalks, storm drains, basins, lakes, landscaping, clubhouse, any common structure of facility, pool, nature trails, entrances, etc., whether owned by the Association or not, as shown on the plats of the Woodlake Subdivision, and acceptance of common area for purposes of operation, maintenance and repair unless such obligations are otherwise assumed by any municipal or government agency having jurisdiction thereof.

3. To assess, levy and collect the annual assessments and special assessments against each lot and Members of corporation under and as defined in the restrictions.

21.3. General Duties of the Association. The Association is hereby authorized to act and shall act on behalf of, and in the name, place and stead of, the individual owners in all matters pertaining to the maintenance, repair and replacement as listed in paragraph 21.2 of this document, the determination of maintenance expenses, the collection of annual and special assessments, for the perpetuation of those listed in paragraph 21.2 of this document, and common benefit of all such owners. The Association shall also have the right, but not the obligation to act on behalf of any owner or owners in seeking enforcement of the covenants contained in this declaration. Neither the Association nor its officers or authorized agents shall have any liability whatsoever to any owner for any action taken under color or authority of this Declaration, or for any failure to take any action called for by this Declaration, unless such act or failure to act is in the nature of the willful or reckless disregard of the rights of the Owners or in the nature of willful, intentional, fraudulent or reckless misconduct.

21.4. Board Of Directors. The Members shall elect a Board of Directors of the Association as prescribed by the Association bylaws (subject to paragraph 25.6.2 control period). The Board of Directors shall manage the affairs of the Association.

21.5. Membership. Every owner and the Developer shall be deemed Members of the Association.

No owner whether one (1) or more persons shall have more than one (1) membership vote per lot owned. In the event the owner of a lot is more than one (1) person, votes and rights of use and enjoyment shall be as provided herein. The membership rights of a lot owned by a corporation, partnership or other legal entity shall be exercised by the individual designated from time to time by the owner in a written instrument provided to the secretary, subject to the provision of this Declaration and the bylaws.

21.6. Voting. The Association shall have two (2) classes of membership, Class A and Class B. Each Member (regardless of class designation) shall be entitled to one (1) vote for each one lot. The rights of the Class A and Class B Members with respect to voting matters shall be as follows:

21.6.1. Class A Membership. Class A membership shall be all owners (including Developer as to any lots it owns). The number of votes to which each Class A Member shall be entitled shall be in proportion to such Member's percentage interest, as defined above. Notwithstanding the foregoing, however, the Class A membership shall be no-voting during the Class B Control Period and as such shall be subject to the voting control of the Class B Member as provided below.

In a situation where a Member is entitled to exercise the vote for its lot and more than one (1) person holds the interest in such lot, the vote for such shall be exercised as those persons determine among themselves and advise the secretary of the Association in writing prior to any meeting. In the absence of such advise, the vote for such lot shall be suspended if more than one (1) person seeks to exercise it.

21.6.2 Class B Membership. The Class B Member shall be the Developer. The Class B Member shall be entitled to appoint all of the Members of the Board of Directors and shall be entitled to one hundred percent (100%) of the votes of the Class A Members as to all matters of the Association and the development during the Class B Control Period as hereinafter defined. The Class B Control Period shall begin as of the date of this Declaration and extend to the earlier of, (i) the date on which one hundred percent (100%) of the total lots of the development have been sold or conveyed to persons other than Developer, holding title solely for purposes of

development or sale; or (ii) the date on which Developer determines that the Class B Control Period shall end and notice of such termination is filed by means of an instrument recorded in the Bullitt County Clerk's Office. Upon termination of the Class B membership, Developer shall give notice to all Class A Members with regard to the formation of a new Board of Directors.

21.6.3. Developer to Act. At any time during the Class B Control Period, Developer shall have the right and authority to act on behalf of the Association and in lieu of the Board of Directors; provided however, such shall not eliminate the requirement of the Developer to account for the funds of the Association and prepare the budget as required below.

21.6.4. Voting Percentages. Except where a different percentage is specified in the Declaration as to any vote requiring the approval of the Members of the Association, a voting percentage of sixty percent (60%) of the Members shall control for decision-making purposes.

21.6.5. Amendment of Declaration. The Association shall have the right to amend this Declaration at any time, and from time to time, upon the recommendation of an amendment to the Association by its Board of Directors, and the subsequent approval of such amendment by both the Owners of at least two-thirds (2/3) of the lots, provided however, that any such amendment of this Declaration shall not bring about inequitable assessments on any particular owner. Each such amendment must be evidenced by a written instrument, signed and acknowledged by duly authorized officers of the Association, and by Developer when its approval is required, setting forth facts sufficient to indicate compliance with this paragraph, including as an exhibit or addendum thereto a certified copy of the minutes of the Association meeting at which the necessary actions were taken, and such amendments shall not be effective until recorded in the Bullitt County Court Clerk's Office.
